The heroine wakes up in horror
To find that a dong,
Nearly nine inches long,
Is halfway up her . . . tune in tomorrow.

Nature Corralled

The class is taking a test.
Dirty Johnny raises his hand to go to the bathroom.
The teacher says, "Not during a test, John."
A few minutes later, as she's collecting the papers,
she says, "You can go now, John."
Johnny says, "It ain't necessary. I opened my
geography book and did it in the ocean."

Did you hear about the girl who was expelled from
high school for eating a Polish sausage?
The Polack was expelled, too.

Don't Fence Me Out

There once was a guy named Sweeney,
Whose girl was a terrible meanie.
The hatch of her snatch
Had a catch that would latch;
She could only be banged by Houdini.

Quarter Hose

LaZinski and Creed are standing at a urinal.

LaZinski says, "I wish I had one like my cousin Orest. He's got to hold his with four fingers."

Creed says, "But you're holding *yours* with four fingers."

LaZinski says, "Yeah, but I'm peeing on three of 'em."

What would you call a TV comedian who wears his skivvies too tight?

"Dickie Smothers."

The Load Not Taken

Wright approaches a beautiful woman at the bar.
She smiles and says, "I'm sorry. I'm married."
Wright whines, "I'm sorry I'm married, too."

Why is it so easy to turn on Frankenstein's monster?
Because he has amps in his pants.

A Stock Answer

Bowden goes into a market.
He says to the salesman, "Do you have nuts?"
The salesman answers, "No."
He asks, "Do you have dates?"
The salesman says, "If I had nuts, I'd have dates!"

Jerk In The Box

Heenan, half-pissed, walks up to a bird in a London bar.
He says, "Let's go out in the alleyway and 'ave a bit!"

She says, "Why should I want to do that with you?"

He mumbles, "Because I'm good, goddamn it!"

She says, "Well, all right, I'll give you a go, I will."

They go out in the alleyway, he pulls down her pants, gets it out, and starts in and her head starts to bob like crazy!

Finished, they go back into the bar, and get a beer.

He smirks at her and grunts, "I told you I was good."

She says coldly, "You weren't so 'ot."

Heenan says in disbelief, "What do you mean, I wasn't so 'ot?"

She says, "Just what I said! You weren't so 'ot."

He demands, "Then why was your bloomin' 'ead bobbin' up and down?"

She answers, "Oh, you were in such a bleedin' rush, you 'ad a bit 'o me scarf tucked in down there."

But it grew back improved.
At present, Ms. Hoople's quadruple!

Went In Sane

Youngman goes to the psychiatrist.

He says, "Doc, I have this terrible feeling that everybody's trying to take advantage of me!"

The psychiatrist responds, "Relax, Mr. Youngman. It's a common thing. Everybody thinks people are trying to take advantage of them."

Youngman sighs, "Doc, that's such a relief! How much do I owe you?"

The psychiatrist answers, "How much have you got?"

What's more nervous than a nun in a cucumber patch?

A racehorse with a Greek jockey!

Shot In The Dark

Reynolds and Mulrooney eat every day in the same Chinese restaurant, and to pass the time, they do everything they can think of to torture the waiter. They switch the sugar and the salt, pour their soup under the tablecloth. Everything.

Finally, one day, Reynolds says, "Look, we've been busting Chan's chopsticks for a long time. I think it's time we straightened up and gave him a good tip."

Mulrooney says, "That's a good idea. Hey! Hung Lo! Come on over here!"

The waiter shuffles over and asks, "What can I do for you misters?"

Reynolds answers, "We realize we've been giving you a hard time all these months, but things are going to change. And to show that we're on the level, we're going to give you a very generous tip."

The waiter bows and says, "Ahhh, very good! Now, I won't have to piss in your tea."

●

Time Bombed

Keller walks into a bar, and says, "Bartender, I'd like a glass of twelve-year-old Scotch."

The bartender brings him a glass.

Keller tastes it, and says, "Bartender! This isn't twelve-year-old Scotch! This is *ten*-year-old Scotch!"

The bartender brings him another.

Keller tastes it, and says, "Bartender! This isn't twelve-year-old Scotch! This is *eleven*-year-old Scotch!"

Meanwhile, Rogers is at the end of the bar. He's drunk, all he wants is a little peace and quiet, and this hump Keller is bugging him.

So, he takes a glass and whizzes into it. Then he walks up to Keller, and hands him the glass.

He mutters, "Here, sport. Try this."

Keller says, "Thank you, my good man," and proceeds to take a big swig.

After a healthy gargle, he quickly spits it out, and sputters, "This tastes like piss!"

Rogers snickers, "How old am I?"

Told Her How He Felt

Sum Fun

Dincesen goes into a confessional.

He says, "Forgive me, Father, for I have sinned."

The priest asks, "How many times?"

Dincesen grumbles, "I don't know! For Christ's sake, I'm a lover, not an accountant."

The No Ball Prize

Mintz is standing on a New York City street corner, next to a gorgeous girl, when a sudden gust of wind blows her skirt up over her head.

She's wearing no skivvies whatsoever.

He takes a healthy look at her party patch, and then raises his eyes to meet her glaring scowl.

She rants, "It's very easy to see you're no gentleman!"

He looks back down and replies, "Ditto."

Shredded Meat

Pace goes to the doctor, his pecker is a mangled mess.

The doctor says, "What happened to you?"

Pace says, "Well, Doc, I live in a trailer park, and there's a real nice girl that lives next door. Every night she takes a knothole out of the floor, puts in a hot dog, and squats over it! I figured I'd get in on the action.

"So, last night, I crawled under her trailer, and when she put the hot dog in the hole, I pulled it out, and put myself up there.

"Everything was fine until some son of a bitch rang the doorbell and she tried to kick the hot dog under the stove!"

Whizz Kid

The teacher calls Dirty Johnny's mother and says, "Mrs. Mayer? Johnny won't be allowed to use the school pool anymore?"

His mother asks, "Why not?"

The teacher answers, "Because he pees in the pool."

The teacher says, "Not from the high diving board."

Pellacora goes into a bar and orders a shot and a beer.

The bartender serves him, and suddenly, a tiny little Chinese guy comes running in, jumps up on the bar, bows to the bartender, bows to Pellacora, and then pours the shot into Pellacora's mouth.

Then he bows to the bartender again, bows to Pellacora again, and pours a sip of beer into Pellacora's mouth.

He bows to each of them one more time and then sits down on the edge of the bar.

The bartender can't believe his eyes.

He says, "Who the hell is this?"

Pellacora says, "Well, about a year ago I was walking along the beach in Bayville when I came across what looked like a magic lantern. Being curious, I rubbed it to see what would happen, and sure enough a genie popped out! He told me I could have one wish. I asked for a twelve inch wang."

Langon repeats, "Water, Water!"

The salesman says, "Boy, you're in rough shape! I'll tell you what, I'll give you two for five!"

Langon groans, "No! I need Water, Water!"

And he crawls on.

A few miles later, he goes over a rise, and in the middle of the desert is a huge, fancy restaurant!

He pulls himself along, up the steps of the restaurant, and with his remaining strength, bangs on the restaurant door.

The maître d' answers.

Langon grunts "Water, Water."

The doctor says, "Then get married and taper off!"

What A Rearing Up

Dirty Johnny is hitchhiking with his dog.

A guy stops with his brand-new car, and says, "Kid, I'll give you a ride, but your dog can't come."

Johnny says, "That's O.K., mister, he'll just run alongside the car."

The guy smiles and Johnny gets in. The guy gets up to fifty, and says, "All right, kid, now where's your dog?"

Johnny says, "Right alongside the car."

The guy looks out and there's the dog, keeping up with the car!

He takes it up to sixty. And the dog keeps up! Seventy. And the dog is right alongside the car!

The guy slams on the brakes.

He says, "O.K., kid, now where's your dog?"

Johnny says, "Right outside the door."

The guy opens the door.

He says, "Kid, that's your dog, all right. But what's the brown ring around his neck?"

Johnny says, "That's his asshole. He's not used to stoppin' that fast!"

For a guy with equipment that matches!"

He asks them where they're going.

His date's mother answers, "The opera. Why do you ask?"

Brauner says, "I was wondering if you folks had a couple of extra tickets, so we could come along."

Brauner's date pulls him into another room and says, "You never told me you liked the opera."

He answers, "You never told me your father was a druggist!"

James Bombed

Richie goes to the door to pick up Diane.

On the way out to the car, Diane realizes that she has to do a toot, a trouser cough. She has to toss a boom into the wind.

She figures that she'll wait until Richie lets her in on her side, and as he's walking around, she can do her blooter real quick and everything will be fine.

He opens the door, she gets in, he closes the door, and as he's walking around she lifts her leg and really cracks a rat! *Llbbbt!* Blows a hole in her parachute.

Mitchell wonders, "What's the difference?"

The druggist answers, "The two-dollar condoms can be washed and used over and over."

Mitchell says, "Great! I'll save a few bucks! Give me the two-dollar kind."

A few weeks later he walks in again and says, "You better sell me some of the one-dollar kind."

The druggist says, "What? Didn't they work all right?"

Mitchell answers, "Yeah, but I got a nasty note from the lady that does my laundry!"

The doctor says, "Well, I'll see what I can do. Give me the fingers."

Settimi says, "I haven't got the fingers!"

The doctor gasps, "What? In this day of modern technology and microsurgery, we could probably put them all back on and make you as good as new! Why didn't you bring the fingers?"

Settimi answers, "Well, shit, Doc, I couldn't pick 'em up!"

The doctor says, "Well, I can suture on an elephant's trunk."

Kelley says, "Fine, doc."

Here we are at the wedding, and they're cutting the cake in the traditional manner.

"The bride cuts the cake, the bride . . ."

Kelley doesn't realize it, but his zipper is open, and suddenly, whoosh! The trunk comes out of his pants and whomp! Takes the piece of cake!

They try their best to ignore it.

"The groom cuts the cake, the groom . . ."

Here comes the trunk!

Whomp! And takes the next piece!

Kelley's bride turns him around, and whines, "Dear, I feel very strange!"

Kelley huffs. "You feel strange? I've got half a cake up my ass!"

Slats The Way! Uh Huh! Uh Huh!

Hutchinson walks into the drugstore to buy a box of rubbers.

The girl behind the counter asks, "What size?"

He says, "I don't know!"

She tells him to go use the fence out back to find out what size he is.

As Hutchinson walks out the back door, she runs through the side door and around behind the fence.

There are three holes in the fence.

He puts it in the first hole, and she grabs it and starts pulling on it!

He takes it out, puts it in the next one, and she puts herself up to it and screws him!

He takes it out, puts it in the third one, and she goes down on him!

Just after she runs back in and hurries around behind the counter, Hutchinson comes staggering through the door.

"Well," she says, smiling, "what size?"

He grunts. "Forget the rubbers! I want three yards of that fence!"

Gordon, a rich old man, marries a very beautiful young girl, and all he does is play his violin all day every day.

One morning she whines, "I'm bored! Take me on a cruise!"

On their day of departure, they walk up the gangplank, and as they step onto the deck, they pass the Captain.

The Captain eyes the pretty girl, and mumbles under his breath, "Mmm . . . very nice . . . I think I'll have her tonight."

Gordon stops short and snaps, "Excuse me, my good man, but my name is Gordon and that is my wife."

The Captain says, "That doesn't matter. My name is Captain Burke, it's my ship, and I do whatever I damn well please."

Gordon insists, "But she won't go with you."

Captain Burke asks, "Old man, have you got any prize possessions? Something you'd care to wager?"

Gordon mutters, "W-well, I cherish my violin."

The Captain boasts, "Well, I'll bet my entire ship and crew against your violin that I'll have your wife before dark."

Gordon takes the bet, and later, as the sun is setting, he stands outside his wife's porthole and starts to sing (to the tune of "Auld Lang Syne"):

"Be true, my love, be true, my love; be true for half an hour!

Be true, my love, be true, my love; the ship and crew will soon be ours!"

There's a rustling about in her room . . .

Suddenly, she pops her head out of the porthole.
Her hair is a mess, and she's bombed!

She starts to sing
(to the tune of "Auld Lang Syne"):
"You're late, my lad, too late, my lad; he's his
hands around me middle!
He's awful nice, he's screwed me twice, and you
lost your Goddamn fiddle!"

How can you tell the Irishman in the hospital ward?

He says, "Where did that come from?"

She says, "I won it in a raffle! Honey, I'm tired, I've been out all day. Would you please run me a bath?"

A few minutes later she walks into the bathroom and there's only a half inch of water in the tub.

He answers, "No, it's just poppycock!"

Someone else asks, "Well, where do you think your cousins come from?"

About the Author

Jackie "The Joke Man" Martling, a comedian and radio personality from East Norwich, New York, has been a professional entertainer since the age of fourteen. He started playing guitar in a rock and roll band before the coming of the Beatles, played all through his schooling at Michigan State University (Mechanical Engineer '71), and continued in a Long Island-based comedy/original music trio, the now-infamous *Off Hour Rockers*.

Jackie made the switch to stand-up in 1979, and started "Use Your Finger!! 922-WINE!!" the world's only x-rated joke line (516-922-9463), which is still in operation and gets thousands of calls a day from all over the world. With the help of his laugh line, Jackie has been producing and promoting comedy shows since the recent boom was its infancy.

Jackie became "The Joke Man" when his joke line was picked up by Rick Dees from KIIS-FM in Los Angeles for his daily morning show, "Jackie The Joke Man" is now a regular feature on Rick's nationally syndicated radio show, "The Weekly Top 40 Countdown," heard coast to coast in all the major markets.

Jackie is best known in the New York Metropolitan area as a member of FM radio's *The Howard Stern Show*, heard daily from 6-10 AM on 92.3 K-Rock.

A familiar face on comedy stages all over the country, Jackie's infectious giggle and screamingly funny nightclub act make for a memorable evening. Jackie has released four party albums on his own *Off Hour Rockers Records*, and a video of his show, "A Safe Distance From Genius," is available at most retail video outlets, or from *Off Hour Rockers Comedy Productions, Inc.*, East Norwich, New York.

Rodney Dangerfield, Phyllis Diller, Rip Taylor, Jackie Mason, Howard Stern, and Richie Minervini have all used Jackie's material. Some even bought it. In early 1984 he taped two T.V. shows, one with Redd Foxx, and the other with Gabe Kaplan, but then later recorded over them.

Jackie and his production partner Nancy Sirianni are at work around the clock expanding their catalogue of videos, albums, cassettes, joke cards, t-shirts, and many other hilarious products.

Jackie insists that his family is middle class on a good day, lives on the beautiful North Shore of Long Island, is incredibly intimidated by just about everything, and sees more biographies in his future.
